Indian Institute of Science (IISc), Bangalore is India's leading institution (No. 1 university) for advanced education and research in Science and Engineering. For additional information, kindly visit the institute website: <https://iisc.ac.in/>

IISc welcomes the foreign faculty members at various levels for short-term visiting program across its [departments/centres](#). The visiting faculty needs to identify a host faculty at IISc for the proposed visit, where the duration of the visit shall preferably be from 90 days to 1 year. He/She will receive the monthly emolument for the entire stay on par with the IISc faculty members:

- Assistant Professor: Rs. 100,000/- per month
- Associate Professor: Rs. 150,000/- per month

- Professor: Rs. 200,000/- per month

The visiting faculty will be provided the round-trip travel expenses to Bangalore. Additional round-trip could be supported after completion of 90 days visit. On-campus accommodation at IISc's Centenary Visitors House for the entire visit will be arranged on payment basis.

The host faculty at IISc can contact the Chair of the Office of International Relations (OIR) with the application file that must include the:

- Covering letter from the host faculty through the department/centre Chair
- Detailed CV with publications
- Proposed visit program at IISc.
